

Dear ECDC Parent,

According to Maryland State Department of Education, Office of Childcare regulations, all infants ages 12 months or older must have parental permission to rest in a crib while at our center. Please sign below if you want your child to rest in a crib while enrolled in our Infant classroom. When your child graduates to the Toddler program, they will automatically rest on cots.

If you have any questions, please feel free to contact me.

Sincerely,

Anne Schmitz
Executive Director
